TexasDownPaymentGuide

FOR TEXAS REAL ESTATE AGENTS

Your buyer may qualify for up to 5% in down payment help.

Send them a six-question quiz that checks their county's income limits, credit range and profession, and shows which program fits and why.

How to use it

1. Text or email your buyer the quiz link, or have them scan the code.
2. They answer six questions and see their best-fit program with an estimated dollar amount.
3. They can ask for a free program check from a licensed loan officer, in English or Spanish.

It also covers city programs in Austin, Houston, Dallas, Fort Worth, San Antonio and El Paso, and tracks which programs are open.
